Greetings From Your Region III Vice President

Hello, everyone. I hope your 2009 year is off to a great start. It is hard to believe that this school year is already half over! It has gone by so fast. What is even harder for me to believe is that regionals is less than a month away. I hope everyone is well underway in setting their plans to make the 2009 Region III Conference a success. To the right, I have the upcoming dates and times that are important for Region III. Please take a moment and look at the times and dates provided. Also, I hope that everyone is well underway in preparing for their competitions. The dates are approaching sooner than you think, and it is important that everyone work as hard as they can to prepare so we represent Region III strongly at state. As a reminder, there are a few events that require testing before regionals. These events are: Accounting II, Computer Applications, Database Design and Applications, Desktop Publishing, Job Interview (application portion only is completed pre-conference), Spreadsheet Applications, Word Processing I, Word Processing II, Business Communication, Business Law, Cyber Security, Economics, Future Business Leader, and Technology Concepts. If you do not know how to do this, please feel free to contact my advisor, Tracy Tate, or one of the state advisors.

Getting members to participate in the Business Achievement Awards (BAAs) was a goal that the state office had set for this year. If you have already started to track your participation in FBLA using the BAA's, get your materials together to turn in because the deadline is quickly approaching. If you have more questions on the BAA's or would like to participate, look on the FBLA National website at: www.fbla-pbl.org.

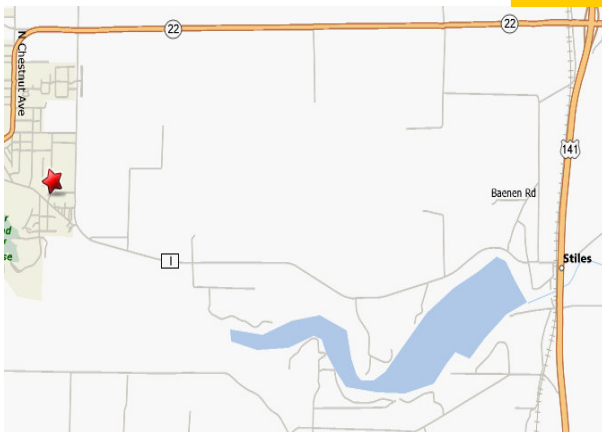

I hope everyone is having a great year, and I wish all of you the best of luck! If you have any questions, feel free to contact me at anytime.

Region III Volleyball Tournament

This year region III is hosting a Volleyball Tournament at Oconto Falls High school. This is a great opportunity for us to spend some time together before regionals! The tournament will be held on January 17th, and we are inviting all Region III schools to attend! If you and your school are interested, please contact myself, or Mrs. Tracy Tate ASAP!

Information Needed For Regional's

For the regional conference, I need your help. The second page of this attachment is a list of questions, please chose 5 members for your chapter and have them fill out the questionnaire and send it back to me. This is the family feud game that will be played for entertainment. Also, if you could please email me the name of your schools' local chapter president, that would be well appreciated. At regionals we are having a parade of presidents, and for the proper recognition, I will need that information. Thank You!

Directions and Parking

If you are coming from the North, East, or South you will take HWY 22 West from HWY 141. Once on HWY 22, you will go about 5 miles and look for Cty Rd I, take that left. You will go about one mile and you will see the school. Take a right on Columbia St. Turn left on Farm Rd. Turn left into the first driveway going into the school. Pull up to the doors that are located in the middle of the school by the sign that says Oconto Falls High School. If you need further information or more detailed directions, please call (920) 848-4467 ext-2051 and ask for Tracy.
